

## Dr. Erica's Speaking Resumé

**Dr. Erica Goodstone, a RELATIONSHIP HEALER, is a Licensed Mental Health Counselor, Marriage Therapist, Sex Therapist, Body Mind Awareness Therapist, and Personal/Life and Health/Wellness Coach.**

As a practicing therapist and former professor for several decades, Dr. Erica has taught thousands of men and women how to heal through love, improve their health and well-being, and create loving relationships that last. Spanning several decades, Dr. Erica has presented lectures, seminars and full day workshops at many different professional conferences. She has also provided enlightening talks and seminars to business and non-professional groups, entrepreneurs, health and wellness expos, singles events, etc.

Her relationship healing wisdom has been quoted in many different magazines including Mademoiselle, Cosmopolitan and Penthouse Forum and her poems appear in a variety of poetry anthologies. Many national radio stations and online radio shows have interviewed Dr. Erica and her unique relationship healing system. She has often appeared on local CBS TV.

Dr. Erica's *Healing Through Love Seminar Series* and her *Love Touch Heal Complete Relationship System* will jump start your relationship healing and provide the tools necessary for you to heal your relationships. Whether you are a couple seeking to overcome some issues or living alone and wanting to find a suitable partner, you will finally know how to create love that is long lasting, fulfilling and intimate. Dr. Erica will help you to discover: ***Where there is love there IS a way***

Author of the romantic novel *Love in the Blizzard of Life* and the popular book *Love Me, Touch Me, Heal Me* (available at amazon.com), Dr. Erica was selected as 1 of the top 20 Showcased Authors out of over 400,000 Ezinearticles.com authors and she is currently the **SelfGrowth.com Official Guide to Intimacy**.

A prolific writer, author and speaker, Dr. Erica encourages individuals and groups to get their message out to the world. She helps her students write blogs posts, articles and organize their life story, life's work and unique knowledge into complete books.
